

Contents

- Chapter 1 • Introduction: Beyond Foraging and
Collecting: Evolutionary Change in Hunter-Gatherer
Settlement Systems** 1

Junko Habu and Ben Fitzhugh

PART I. REGIONAL SCALE PROCESSES OF SETTLEMENT PATTERN CHANGE

- Introduction to Part I** 15

- Chapter 2 • Going by Boat: The Forager–Collector
Continuum at Sea** 19

Kenneth M. Ames

- Chapter 3 • Jomon Collectors and Foragers: Regional
Interactions and Long-term Changes in Settlement
Systems among Prehistoric Hunter-Gatherers in Japan** 53

Junko Habu

- Chapter 4 • Logistical Organization, Social Complexity,
and the Collapse of Prehistoric Thule Whaling
Societies in the Central Canadian Arctic Archipelago** 73

James M. Savelle

- Chapter 5 • Natufian: A Complex Society of Foragers** 91

Ofer Bar-Yosef

**PART II. MICROEVOLUTIONARY APPROACHES TO
LONG-TERM HUNTER-GATHERER SETTLEMENT CHANGE**

Introduction to Part II 153

**Chapter 6 • Mobility, Search Modes, and Food-Getting
Technology: From Magdalenian to Early Mesolithic
in the Upper Danube Basin** 157
Lynn E. Fisher

**Chapter 7 • Long-term Land Tenure Systems in
Central Brazil: Evolutionary Ecology,
Risk-Management, and Social Geography** 181
Renato Kipnis

**Chapter 8 • Central Place Foraging and Prehistoric
Pinyon Utilization in the Great Basin** 231
David W. Zeanah

**Chapter 9 • Residential and Logistical Strategies in
the Evolution of Complex Hunter-Gatherers
on the Kodiak Archipelago** 257
Ben Fitzhugh

**PART III. BEYOND ECOLOGICAL APPROACHES TO
HUNTER-GATHERER SETTLEMENT CHANGE**

Introduction to Part III 307

**Chapter 10 • Sacred Power and Seasonal Settlement
on the Central Northwest Coast** 311
Aubrey Cannon

**Chapter 11 • Long-term Change and Short-term Shifting
in the Economy of Philippine Forager-Traders** 339
Laura Lee Junker
