| 4.1 | Analyzing the Interviews..... | 121 |
| 4.2 | Analyzing the Questionnaires | 125 |
| 4.3 | Within- and Cross-Case Analysis as Basis for Explanation Building | 127 |
| 5. | Quality Ensuring Measures..... | 129 |
| 5.1 | Ensuring Construct Validity | 130 |
| 5.2 | Ensuring Internal Validity | 131 |
| 5.3 | Ensuring External Validity | 132 |
| 5.4 | Ensuring Reliability..... | 133 |
| E | Results of Case Study Research | 135 |
| 1. | Impact of Management Accounting Systems on Strategic Sensemaking | 137 |
| 1.1 | Observation | 137 |
| 1.2 | Interpretation | 145 |
| 1.3 | Communication | 152 |
| 1.4 | Intermediate Results of Quality Dimensions and Sensemaking | 160 |
| 2. | Roles of Management Accounting Systems in Strategic Sensemaking | 164 |
| 2.1 | Adaptation | 166 |
| 2.2 | Preparation..... | 169 |
| 2.3 | Utilization | 174 |
| 2.4 | Relationship with Management Accounting System Dimensions | 178 |
| 3. | Summary of Propositions | 184 |
| F | Implications and Outlook | 187 |
| 1. | Theoretical Implications | 187 |
| 2. | Managerial Implications | 194 |
